

> WORK WHERE YOU'RE APPRECIATED

LANDWORKS WORKS FOR US:

"There's a positive energy at LandWorks. They understand that people who feel good do their best work. My team leader works with my strengths and puts me where I work best. With LandWorks, I feel free to be who I am, and it feels spectacular."

Erin Brophy Team Member

"As a team leader, I treat people the way I want to be treated, and I make sure my team knows their opinions matter. That's the way LandWorks does things."

Julianne Hinrichs Team Leader

"For me, the benefits and good pay are important, and the communication is really good. This is a good place, and I'm glad I finally came here. To anyone thinking about making a move, I say: Don't wait."

Omar Serrano Team Member

At LandWorks, our mission is simple. We design, build, enhance and maintain Southeast Wisconsin's most beautiful residential and commercial landscapes. Clients value our horticultural expertise, attention to detail and professionalism. We deliver what we promise, we have clients for life, and our employees enjoy rewarding careers.

> YOU AND LANDWORKS?

Looking for the right fit with a top-quality landscape company? An employer that appreciates you?

LandWorks -- the area's premier landscape design, construction and maintenance company -- has immediate openings for:

- > Experienced crew leaders
- > Crew members
- > Horticulture degree and/or landscaping experience preferred ... but not always necessary

LandWorks offers:

- > Competitive wages
- > Health insurance programs
- > 401(k) plan
- > Paid vacation & holidays
- > Safety program
- > Educational assistance

LandWorks reinvests in its people, trucks and equipment:

- > Ongoing training
- > Regularly maintained equipment
- > Commitment to personal development
- > Family-oriented culture

NO EXPERIENCE? IF YOU...

- > Like being outside
- > Have a love of nature or gardening
- > Are willing to learn

...LANDWORKS HAS POSITIONS FOR BEGINNERS, TOO.
